**"The Rush Band were a fabulous addition to our wedding and made our evening reception perfect. They learnt a song that wasn't on their playlist for our first dance and nothing seemed too much trouble. All our guests commented on how great the music was both with song selection and performance. The lead singer Gavin came onto the floor and involved our guests in the songs making all our guests feel included. The dance floor was full all night and that was only because of the quality of the band."**

**"The Rush helped make my evening reception be what I'd always wished for-a packed dance floor from start to finish! I didn't see any guests unless they danced with me as I never wanted to stop dancing! Thank you!"**

**"Gavin and the band were fantastic, open to all ideas, great communication which is vital when arranging a wedding! Music was great on the night and had everyone on the dance floor straight away. Even kept my husbands 98 year old grandmother on the dance floor for many songs!! Their charisma came across and was a perfect fitting to my wedding. Many guests have contacted for details and some already booked them! Love love loved them!!"**

**"It's 4 months since our wedding and we are still buzzing about what an incredible contribution The Rush band were to the day. I dealt with Gavin for the booking which was so easy and smooth. The band arrived in plenty of time and were so flexible with the playlist. The minute they kicked off the energy at the party went through the roof - such an incredible performance from start to finish. Everyone LOVED them - I have friends asking me for their details for their upcoming parties / weddings."**

**"The rush band we're amazing at our wedding on the 5th July. We had so many comments about how fantastic they were. I have never been to a wedding where the dance floor was packed all night even when the buffet was on! We we're so thrilled with all the songs and they even sung our first dance which made it even more special. Gavin and the other members were so courteous and even played extra songs as they were having such a good time and people we're dancing. They should 100% win this award."**

**"Gavin was extremely helpful and amenable to all our requests for music. He was great to deal with and played our first dance which was amazing. The dance floor was full all night and we've had so many friends ask for his details since. An amazing band ....I wouldn't hesitate to use them again! The atmosphere was made by the band!"**
